## Luxury:Cococure

Took a high from a low Took my icy freeze and thawed the cold An inspired undisclosed It's a privacy that y'all should know Never wonder cause I know Ain't no other got this flow Lady lover, lady soul You're my discovered pot of gold

I found a cure for this Cococure for this It's got me plushed on some luxurious Cococure

It's a happy in a sad It's a more that's less It's a glad, drive me crazy (ooh baby) You're my mommy, you're my dad Lady lover never go You're the part of my heart that is soul

I found a cure for this Cococure for this It's got me plushed on some luxurious Cococure
