

# I Can't Let You Go Now

Maywood

Papa's sleeping out on Sunday,  
Mama's making tea.  
It doesn't matter what they  
think about you and me.  
I can't let you go now,  
you know damn well, it makes me sad.  
I can't let you go now.  
One and one makes two,  
don't forget.

This is quite a party,  
so let's hang on for a while.  
Please don't spoil the evening,  
but show a little style.  
I can't let you go now,  
you know damn well, it makes me sad.  
I can't let you go now.  
One and one makes two,  
don't forget.

I can't , I can't, I can't let you go.  
I can't , I can't, I can't let you go.  
I can't , I can't, I can't let you go.  
No, I can't , I can't, I can't let you go.  
You know damn well, my baby, that  
I can't let you go.

All day long I'm working at the office, that's ok.  
But when my job is done, let's do the things my way.  
I can't let you go now,  
you know damn well, it makes me sad.  
I can't let you go now.  
One and one makes two,  
don't forget.
