

Show Me The Way To Paradise

Maywood

Slow down, you run too fast.
I need some time to forget the past.
Chances I had a few,
but baby, nothing can compare with you.
Bet you ten to one we'll survive.
You are my treasure for life.

Show me the way to paradise.
Give it all you got.
I know you got a lot.
Don't hesitate and throw the dice.
Maybe we will see
what's our destiny.

Hold on anxiously.
I wanna find my own identity.
Problems I had a few.
They say you'll get what is coming to you.
Bet you ten to one we'll survive.
You are my treasure for life.
