

Since I Met You

Maywood

I was alone when I was a kid.
I didn't cry, didn't worry a bit.
You get used to it all,
it's etched in your brain.
It's stupid to cry or even feel pain.
But since I met you...

Girls of my age, with their twinkling eyes.
Every day was for them a surprise.
But I could accept what happened before
and I could expect a little bit more.
But since I met you...

You gave me everything I need.
You made everything complete.
You're my world, my soul, my treasure.
You make me laugh, you make me cry
and I do not wonder why.
I'm released of some high pressure.
You took me in a world I hardly knew.

Reasons enough to walk out, but then...
I never made a serious plan.
I lived in a world so hard to survive.
And I never knew the pleasures of life.
But since I met you..
