

# Porcelain Doll

Megan McCauley

Why do they leave me all by myself?  
Why do they use me and bring me down?  
Why do they hurt me?  
Why do they leave me?  
Why doesn't anybody stick around?

Why doesn't anyone stay here?  
Why do they leave me?  
Don't they realize I'm a porcelain doll?  
Small, unsure, beautiful  
Breakable

If I sit here waiting to be wanted  
Something good will pass me by  
Many people look through the windows  
But seldom do they ever look into my eyes

Why doesn't anyone stay here?  
Why do they leave me?  
Don't they realize I'm a porcelain doll?  
Fragile, helpless, unwanted  
Breakable

They can't tell that I am sweet  
They can't tell I'm like a porcelain doll  
Beautiful and demure  
But they will lie to me

Why am I not numb to this?  
Why can't I let it all escape my mind?  
Don't let me sit here collecting dust  
But please be careful, please be kind

Why doesn't anyone stay here?  
Why do they leave me?  
Don't they realize I'm a porcelain doll?  
Lost, alone, unsure  
Kind, demure, small  
Fragile, helpless  
Breakable
