

Naughty List

Meghan Trainor

Why you put me on the naughty list? (Uh Huh)
Maybe I was good for ya (Uh Huh)
Why you put me on the naughty list? (Uh Huh)
Maybe I was good for ya (Uh Huh) (good for ya)

I been on my best behavior for life.
Why you gotta judge me just for one night?
(Ah, Ah)
Even when I'm reckless I always do what's right.
So give me one more try.
(Let me off this time)
Let me off this time.

Why you put me on the naughty list? (Uh Huh)
Maybe I was good for Ya (Uh Huh)
Why you put me on the naughty list? (Uh Huh)
Maybe I was good for ya (Uh Huh) (good for ya)

Maybe all my love for you was too nice
So why you put me on the naughty list? (Uh Huh)
Maybe I was good for ya (Uh Huh) (good for ya)

I ain't ever been naughty, naughty, no, no
I never been naughty, naughty, no, no
I ain't ever been naughty, naughty, no, no
I never been naughty, naughty, no, no

I got you too heated, you're melting my ice
And I think you forgot to check you're list twice
'Cause I,
(Ah, Ah)
Even when I'm reckless I always do what's right.

So give me one more try.
(Let me off this time)
Let me off this time.

Why you put me on the naughty list? (hey) (Uh Huh)
Maybe I was good for ya (Uh Huh)
Why you put me on the naughty list? (Uh Huh)
Maybe I was good for ya (Uh Huh) (good for ya)
Whoa, Oh
Maybe all my love for you was too nice
So why you put me on the naughty list? (Uh Huh)
Maybe I was good for ya (Uh Huh) (good for ya)

I ain't ever been naughty, naughty, no, no (say)
I never been naughty, naughty, no, no
I ain't ever been naughty, naughty, no, no
I never been naughty, naughty, no, no, no, no
Give me one
One reason for this
'Cause there's two sides to everything
I need three, real apologies
Take me off that list
There's only been four
Times you walked out that door

And five, different ways that I've cried
And six, I'm so tired of this
That's my Christmas list

So why you put me on the naughty list? (Uh Huh)
Maybe I was good for ya (Uh Huh)
Why you put me on the naughty list? (Uh Huh)
Maybe I was good for ya (Uh Huh) (good for ya)
Whoa, Oh
Maybe all my love for you was too nice
So why you put me on the naughty list? (Uh Huh)
Maybe I was good for ya (Uh Huh) (good for ya)
I was too good for ya

I ain't ever been naughty, naughty, no, no
I never been naughty, naughty, no, no
I ain't ever been naughty, naughty, no, no
I never been naughty, naughty, no, no
I was too good for ya
