

# NO EXCUSES

Meghan Trainor

Woo!

Huh!

What you sippin' on that got you talking crazy?  
Lookin' at me sideways, always coming at me  
Why you, why you acting hard when you just a baby?  
Boy, I keep it real with you, but you tryna play me

Have you lost your mind?  
Open up your eyes  
Huh!

Someone else  
You must've confused me, confused me with  
Someone else  
You must've confused me, confused me with  
Someone else  
There ain't no excuses, excuses, babe  
Someone else  
Your mama raised you better than that, huh!

What you sippin' on that got you talking crazy? (Hey!)  
Lookin' at me sideways (Woo!), always coming at me  
Why you, why you acting like you never met a lady?  
I don't disrespect you, don't you disrespect me

Have you lost your mind?  
Open up your eyes  
Huh!

Someone else  
You must've confused me, confused me with  
Someone else  
You must've confused me, confused me with  
Someone else  
There ain't no excuses, excuses, babe  
Someone else  
Your mama raised you better than that, huh!

Your mama raised you better than that (That's right!)  
Cause your mama raised you better than that

Have you lost your mind?  
Open up your eyes (your eyes)  
Huh!

Someone else  
You must've confused me, confused me with  
(Confused me with)  
Someone else  
You must've confused me, confused me with  
Someone else  
There ain't no excuses, excuses, babe  
(No excuses, no, no)  
Someone else  
Your mama raised you better than that, huh!  
(How she raised you?)

You must've confused me (Hey! Come on), confused me with  
Your mama raised you better than, better than that  
There ain't no excuses, excuses, babe  
Cause your mama raised you better than that, huh!  
(She raised you better than that)
