

# The Armageddon Machine

Mekong Delta

One step more  
feel no regret  
future dreams  
in all aspects  
ransom thoughts  
small scale projects

sneaking desire

I take care  
humanity  
will be there  
eternity  
final flare  
insanity

ardent desire

Bit by bit  
the way, no doubt  
crawling fear  
lost worlds around  
final pit  
there's no way out

carnal desire

Lightless flare  
humanity  
who takes care  
eternity  
no one there  
insanity

burning desire

A world in my hand  
controls are set for the end  
you may see clearer  
and feel me  
what do you think I am  
I am the end

I'll be there  
aristocracy  
there's no doubt  
democracy  
will find out  
idiocracy

heartfelt desire

Will wipe out  
bureaucracy  
spitting on  
autocracy  
than kill all

technocracy

sincere desire

Seeking for  
stupidity  
terminate  
tranquillity  
than looking for  
absurdity  
determinate it equally

avid desire

Who takes care  
insanity  
lightless flare  
eternity  
nothings left  
humanity

awaken desire

You must understand  
All this might power in my hand  
Come, close to me  
What do you see, what do you see  
I am the end, the end

Illusion  
confusion  
storm in my mind  
emotion  
devotion  
part of my reaction  
distraction  
one way to turnaround  
to find out  
silent shout  
conclusion  
collusion  
damped mirrors all around  
blurred boundaries  
lost diaries
