

Holiday For Love

Mel Tillis

I'd like to make everyday with you a holiday for love
Every hour of the day you're all I'm a thinkin' of
All week along when you're gone I sit around so blue
I just can't wait on Saturday that's my holiday with you
Monday Tuesday Wednesday wonder if you miss me too
Thursday Friday Saturday makin' plans just to be with you
Oh I'm a gonna be so sweet to you neath the moon above
And I'd like to make everyday with you a holiday for love

Monday Tuesday Wednesday...

I'd like to make everyday with you a holiday for love
