

Yo, let me take you to the next level
Let your mind be free

Let your mind be free
If you want to get with me
Simple as 1-2-3
Talkin' 'bout ABC
Like it real nasty
If you want to play with me
Oh boy don't waste my time

You can keep me on a chain
But I don't think you can take the pain
And all the things that I put you through
It just drove you crazy cause I'm so crazy

You took control and set me free (set me free)
Between the flame of you and me (you and me)
And even though I had it all (had it all)
I still reached out for more

Let your mind be free
If you want to get with me
Simple as 1-2-3
Talkin' 'bout ABC
Like it real nasty
If you want to play with me
Oh boy don't waste my time

I like your way without knowing how
But there's some things that still get me down
The same old way of making love
It's not quite enough, I need some more

You took control and set me free (set me free)
Between the flame of you and me (you and me)
And even though I had it all (had it all)
I still reached out for more

Let your mind be free
If you want to get with me
Simple as 1-2-3
Talkin' 'bout ABC
Like it real nasty
If you want to play with me
Oh boy don't waste my time
