

Fearless

Melanie C

I wish that you could see you like I do
Comparisons you make are never true
It's time for you to step up to the fight
You'll never really know if you don't try

I can feel the power
Rising up inside you

And I'll bring the wave
Hold on tight with all your might
Enjoy the ride
Going all the way
You know you got it, so
Don't give up, you're stronger than you'll ever know

Learn to be fearless
Take a dive into the deepest
Ain't no better time than now
Ain't no other way to wear your crown

Learn to be fearless
Take a dive into the deepest
Ain't no better time than now
Ain't no other way to wear your crown

Come take a dive, wontcha? (Wontcha?)
You feel alive, dontcha? (Dontcha?)
It ain't a crime to be feeling yourself
No better time to excel
No better moment to rule your world

Come take a dive, wontcha? (Wontcha?)
You feel alive, dontcha? (Dontcha?)
Uh huh huh, huh huh
Break the cycle and the mould
Truth be told, the road is cold
Grab your coat and let's go go go

And I'll bring the wave
Hold on tight with all your might
And don't lose sight, enjoy the ride
Going all the way
You know you got it, so
Don't give up, you're stronger than you'll ever know

Learn to be fearless
Take a dive into the deepest
Ain't no better time than now
Ain't no other way to wear your crown

Learn to be fearless
Take a dive into the deepest
Ain't no better time than now
Ain't no other way to wear your crown

Ooh when you feel like giving up
And you don't feel good enough

You gotta believe in yourself
Brush it off and carry on
You're as good as anyone
You better believe it
Better believe it
You'd better, you'd better

Learn to be fearless (Wear your crown, baby)
Take a dive into the deepest (Take a dive)
(Oh oh, oh oh)
Ain't no better time than now (Oh, oh oh)
Ain't no other way but to wear your crown (Yeah)
Learn to be fearless (Hmm, hmm, hmm hmm hmm)
Take a dive into the deepest (Yeah, yeah yeah)
(Oh oh, oh oh)
Ain't no better time than now (Right now)
Ain't no other way but to wear your crown (Yeah)

Wear your crown (Wear your crown, baby)
Wear your crown (Be proud, baby)
Wear your crown (Be fearless, babe)
Take a dive, take a dive, go

All the way baby, yeah
Doo, doo, doo
Uh, uh, uh uh
Yeah, yeah, yeah, yeah-yeah
Uh, uh, uh uh
Yeah, yeah, yeah, yeah-yeah
Hmm, nah nah nah
