

Here I Am

Melanie C

Head underwater
Tumblin' down further
Lord help me now
Help me now

Fighting for myself
Cause nobody could help
I'm reaching out
I'm reaching out

I was out for a minute
Caught my breath I'm back in it
I was lost but I found my feet

(Here I am)
Took many punches to the ground
But I got up when I was down
Never been one to quit
I found strength within my weakness
Sometimes I have nothing to say
But I won't be quiet, not today
No giving up on this
I found strength within my weakness

Here I am, here I am, here I am
Here I am right now
Here I am, here I am
I found strength within my weakness

The shadows ate me up
But I'm no longer scared of the dark
I see the light
I see the light

They said I was too old
That all of the embers had turned cold
But I'm on fire
I'm on fire!

I was out for a minute
Caught my breath I'm back in it
I was lost but I found my feet

(Here I am)
Took many punches to the ground
But I got up when I was down
Never been one to quit
I found strength within my weakness
Sometimes I have nothing to say
But I won't be quiet, not today
No giving up on this
I found strength within my weakness

Here I am, here I am, here I am
Here I am right now
Here I am, here I am
I found strength within my weakness

Here I am, here I am, here I am
Here I am right now
Here I am, here I am
I found strength within my weakness

I was out for a minute
Caught my breath I'm back in it
I was lost but I found my feet

(Here I am)
Took many punches to the ground
But I got up when I was down
Never been one to quit
I found strength within my weakness
Sometimes I have nothing to say
But I won't be quiet, not today
No giving up on this
I found strength within my weakness

Here I am, here I am, here I am
Here I am right now
Here I am, here I am
I found strength within my weakness
Here I am, here I am, here I am
Here I am right now
Here I am, here I am
I found strength within my weakness
