

Melt

Melanie C

Dm **C**
Caught in the eye of the storm

B
Where we are born

F
No truth is spoken

Dm **C**
Seems so long ago

B
And you really don't know

F
How you got broken

B **F**
Feel me

C
Give a little bit of love for your people

B **Dm**
But save a little bit of love for yourself

F **C**
Have a little bit of trust in the way you feel

B **Dm**
And see your heart melt

F **C**
Send a little bit of hope down the airwaves

B **Dm**
Find a little bit of gold, it might help

F **C**
You've got to have a little bit of faith in everything you know

B **Dm**
Then let your heart melt

C
Now is your time to rise

B
The one you can fly

F
I know why you sent me

B **F**
Feel me

C
Give a little bit of love for your people

B **Dm**
But save a little bit of love for yourself

F **C**
Have little bit of trust in the way you feel

B **Dm**
And see your heart melt

F **C**
Send a little bit of hope down the airwaves

B **Dm**
Find a little bit of gold, it might help

F **C**
You've got to have a little bit of faith in everything you do

B

Then watch your heart
