

Birthday Of The Sun

Melanie

Oh I'm the one - I found the birthday
Of the sun
All things change an' now
It's the birthday of the rain
If I never said goodbye to all
That I've known
I would never be alone

But still - well I would not cry -
I'm not finished yet - boy -
So wipe the smile from your eyes
'Cause if I were to hang my head
I'd miss all the rainbows
And I'd drown in raindrops instead.

I'm gonna win -
I'm not finished yet - boy -
So wipe the smirk from your chin
'Cause if I were to hang my head
I'd miss all the rainbows
And I'd drown in raindrops instead.

And all things change
Happy Birthday to the rain
