

# I'm So Blue

Melanie

I'm so blue  
What happened to me shouldn't happen to the worst of you  
What can I do to prevent you from going thru  
What I've been going thru  
Momma told me this man would leave me eventually  
I couldn't see the trees from the forest or  
How does that saying go  
I'm so blue

Since you're gone well to tell you the truth I feel I can't go  
on  
Where love has gone there's the emptiest feeling in all of this  
world  
I'm a lonely girl

I'm so blue  
There are no warning words that we'll listen to  
Nothing I can do to prevent you from going thru what I've been  
going thru  
I'm so blue... I'm so blue... I'm so blue
