

I Still Haven't Found What I'm Looking For

Melanie

I have climbed the highest mountain
I have run through the fields
Only to be with you
Only to be with you

I have run, I have crawled
I have scaled these city walls
These city walls
Only to be with you

But I still haven't found what I'm looking for
No I still haven't found what I'm looking for

I have kissed honey lips
Felt the healing in the fingertips
It burned like fire
A burning desire

I have spoke with the tongue of angels
I have held the hand of a devil
It was warm in the night
I was cold as a stone

But I still haven't found what I'm looking for
No I still haven't found what I'm looking for

I believe in the kingdom come
Where all the colours bleed into one
Bleed into one
Ah! I believe it

You broke the bonds, loosed the chains
Carried the cross and all my shame
All my shame
Oh, I m still runnin

But I still haven't found what I'm looking for
Oh, I still haven't found it, what I'm looking for
I still haven't found it
I still haven t found it
And I believe

Yes I m still runnin
Yes I m still runnin
