

# The Saddest Thing

Melanie

And the saddest thing  
Under the sun above,  
Is to say goodbye  
To the ones you love.

All the things that I have known.  
Be came my life my very own.  
But before you know you say goodbye.  
Oh, good time, goodbye  
It's time to cry  
But I will not weep nor make a scene  
Just say "thank you,  
life for having been."

And the hardest thing  
Under the sun above.  
Is to say goodbye to the ones you love.  
No I will not weep nor make a scene  
I'm gonna say "thank you,  
life for having been."

And the loudest cry  
Under the sun above  
Is to silent goodbye  
From the ones you love.  
Aaahaaha....
