

# Come In From The Rain

Melissa Manchester

Well, hello there  
Good old friend of mine  
You've been reaching for yourself  
For such a long time  
There's so much to say  
No need to explain  
Just an open door for you  
To come in from the rain

It's a long road  
When you're all alone  
And someone like you  
Will always take the long way home  
There's no right or wrong  
I'm not here to blame  
I just want to be the one  
Who keep you from the rain  
From the rain

And it looks like sunny skies  
Now that I know you're alright  
Time has left us  
Older  
And wiser  
I know I am

'Cause I think of us  
Like an old cliché  
But it doesn't matter  
'Cause I love you anyway  
Come in from the rain

And it looks like sunny skies  
Now that I know you're alright  
Time has left us  
Older  
But Wiser  
I know I am

And it's good to know  
My best friend has come home again

And I think of us  
Like an old cliché  
But it doesn't matter  
'Cause I love you anyway  
Come in from the rain

Come in from the rain  
Come in from the rain
