

# Slowly

Melissa Manchester

How do I like to dance  
And how do I like romance  
Oh, if you want to hold me  
And fall in love slowly  
Then, baby, this is our chance  
So let's dance  
(Let's dance, slowly)

I can't hurry, my loving  
Like you want me to do  
And one night of love, baby  
Won't mean a thing to me and you  
Let's not rush into something  
We'd be acting like fools  
I need a whole love, baby  
Not just a part of you

How do I like to dance, slowly  
And how do I like my romance, slowly  
Oh, if you want to hold me  
And fall in love slowly  
Then, baby, this is our chance  
So let's dance

You're coming on, baby  
Much too strong, I know  
We need to know each other  
So let's take it nice and slow

How do I like to dance, slowly  
And how do I like my romance, slowly  
Oh, if you want to hold me  
And fall in love slowly  
Then, baby, this is our chance

How do I like to dance, slowly  
And how do I like my romance, slowly  
How do I like to dance, slowly  
And how do I like my romance, slowly
