

Beautiful Day

Mellowdrone

Today's gonna be a beautiful day, uh huh
No more waiting for the usual thing, uh huh
Don't dare waste your time, boy
Don't dare waste your time
No more waiting for the usual thing, uh huh

What can I do to make this plan go through, uh huh
Approach then in a different way, uh huh
Some day I'll get it right
I swear I'll get it right
Today's gonna be a beautiful day, uh huh

Today is gonna be a beautiful day
I'll be sick, you'll be proud
Take care and don't upset the crowd
Today is gonna be a beautiful day, uh huh
Don't dare waste your time boy
Some day I'll get it right
(Take care and don't upset the crowd)
Cause' Today's gonna be a beautiful day, uh huh
Uh huh, uh huh, uh huh
