It All Makes Sense Now

Mellowdrone

Today I finally lost it
Today I went insane
From waiting and from pushing
But I'm the one to blame
Today I learned my lesson
I'll never step out of line
I'll close my eyes and whisper
And everything will be just fine

Wait I've almost got it
Don't give up on me yet
I'd really love to show you
I did it all, I did it all for you
