

# You And I

Mellowdrone

You and I  
We fell today  
Someday I'll try  
and fix you, ok

Yeah (yeah, yeah, yeah)  
Yeah (yeah, yeah, yeah)  
Yeah (yeah, yeah, yeah)  
Yeah (yeah)

You, You lied  
You said you'd stay  
Now you're gone  
Why didn't you feel the same?

I can talk for me too  
Too late  
I'm so alone
