

Paralyzed

Melody Club

O o ooo
O o ooo

Here she comes digging all of my mind
and I can't stop thinking about her now
I got no choice she's digging all of my life
and I can't control how I feel

When she walks into the room I stop and stare
I'm paralyzed
When she is looking at me then I can't move
I'm paralyzed

O o ooo
I can't move
I'm paralyzed
O o ooo

There she goes
I wonder if she notice that I get misstop when she comes around
I lose my cool every time she walks by
and I can't control how I feel

When she walks into the room I stop and stare
I'm paralyzed
When she is looking at me then I can't move
I'm paralyzed

O o ooo
I can't move
I'm paralyzed
O o ooo

So here I am stuck in a trance
Looking down she moves across the room
Slowly looking at me
I can't move whenever she's around
I can't make a sound so how can I make her notice
No, I can't control how I feel

When she walks into the room I stop and stare
I'm paralyzed
When she is looking at me then I can't move
I'm paralyzed

O o ooo
I can't move
I'm paralyzed
O o ooo

I can't move
I'm paralyzed
