

Tiger Love

Melody Club

I dream, I walk, she's on my mind
I think of her wherever I go
And tiger gets all my love
I sing, she leaves, I just don't know
I see her face wherever I go
And tiger gets all my love
Oh, she's on the streets tonight
Watch out for teenage dust tonight o-o-o-o-o
Oh, she's on the streets tonight
Watch out for teenage dust tonight o-o-o-o-o-o
I dream, I walk, she's on my mind
I think of her where ever I go
And tiger gets all my love
Oh, she's on the streets tonight
Watch out for teenage dust tonight o-o-o-o-o
Oh, she's on the streets tonight
Watch out for teenage dust tonight o-o-o-o-o-o
And tiger gets all my love
