The Ballad of Dwight Fry

Melvins

```
I was gone for fourteen days
Could have been gone for more
Held up in the intensive care ward
Lyin on the floor
I was gone for all those days
But I was not all alone
I made friends with a lot of people
In the Danger Zone

See my lonely life unfold
I see it every day
See my only mind explode
When I'm gone away

I think I lost some weight there
And I really need some rest
Sleeping don't come very easy
In a straight white vest
Shaw'd like to see those little children
She's only four years old
I'd give her back all of her playthings
Even those I stole

See my lonely life unfold
I see it every day
See my only mind explode
When I've gone insane
```
