

Please Don't Stop Him

Memphis Minnie

Well, the man I love is long and tall
Sometimes I think he's got it all

And please don't stop him
He's all right with me
He's just a long tall daddy
Got something that I really need

Now look here, boy
I want to talk to you
I've got little work
I want you to help me to do

Oh, don't stop him
Let him come home with me
He's just a long tall daddy
Got something that I really need

Now look here, girls
Don't keep him so long
You'll know what he's been missing
Since he's been gone

Please don't stop him
He's all right with me
He's just a long tall daddy
Got something that I really need

Yes, play it now

Ain't anyone home
This time of night in the rain
When you go with me
And ricocheted that thing

And please don't stop him
He's all right with me
He's just a long tall daddy
Got something that I really need

Now don't you feel good
That you have done got it
You don't have to be worried
With no other miss

Ah, don't stop him
Let him come home with me
He's just a long tall daddy
Got something that I really need
