

## Moanin' The Blues

Merle Haggard

When my baby moved out and the blues moved in  
There wasn't nothing I could do  
But mosey around with my head in my hands yellin' what am I com  
in' to  
And I just keep moanin' moanin' the blues  
Well I wrote a nice long letter sayin' mama please come home  
Your daddy is lonesome and all I do is moan.

I've been lovin' that gal for so doggone long  
Can't afford to lose her now  
I thought I was right but I must have been wrong  
Because my head is startin' to bow  
And I just keep moanin' moanin' the blues.

Well baby, baby, baby, honey baby, please come home  
Your daddy is lonesome and all I do is moan  
I promise you baby that I'll be good  
And I'll never be bad no more.

I've been lovin' that gal for so doggone long  
Can't afford to lose her now  
I thought I was right but I must have been wrong  
Because my head is startin' to bow  
And I just keep moanin' moanin' the blues...
