

# Mental Blindness

Metalium

WATCH OUT FOR THE TWO FACED BEAST  
FROM FENCES OF DARK DISGUISE

The human creature lives  
the reasons might not be the same  
why egoism remains the strongest seed

Behind dark fences  
Ignorance tried steering up my pain  
Tried to steal my credibility

Am I losing my way  
or is this just a crazy dream  
Can't ignore the anger  
Raging deep inside

The place I go  
your mind can never follow  
Pure light shines clear but you're blinded

I stand for my way  
No matter what they say  
My passion kills your mental blindness

Watch for the two-faced faking beast  
Smiling deep into your eyes  
Tries to deny the smell of its lies

It sits at your own table, drinks and eats  
while working out the plan  
to tear your soul and life apart

Am I losing my way  
this maze is confusing me  
can't ignore the anger  
I can no longer hide

The place I go  
your mind can never follow  
Pure light shines clear but you're blinded

I stand for my way  
No matter what they say  
My passion kills your mental blindness

HIDDEN WITHIN DARK FENCES OF DISGUISE  
THE BEAST SITS AT YOUR OWN TABLE  
WHILE WORKING OUT THE PLAN  
TO TEAR YOUR SOUL  
AND LIFE  
APART

The place I go  
your mind can never follow  
Pure light shines clear but you're blinded  
I stand for my way  
No matter what they say

My passion kills your mental blindness

Mental blindness

You're losing, you're losing, you're losing your way

Can't ignore the anger deep inside

The place I go, my passion kills

Your mind can never follow
