

It's Electric

Metallica

Originally performed by Diamond Head

I'm gonna be a rock'n'roll star

Gotta groove from night to day

Gotta blow my money jar

Gotta blow my blues away

I'm gonna make a stand

Gonna make a million

Gonna make it with you

I'm gonna be right my friend

I'm gonna push it through, ooh, oh, yeah

It's electric

It's electric, yeah

It's electric, yeah

It's electric, oo-ooh, yeah

I stop on red, but I leave on amber, danger face my way

I'm gonna make it my friend

Gonna make it today

Gotta get this dust from my hills down the highway I go

Gotta get the stars from my route

Make it in a rock'n'roll show, oo-ooh, yeah, yeah

I stop on red, but I leave on amber, danger face my way

I'm gonna make it my friend

Gonna make it today

Gotta get the dust from my hills down the highway I go

Gotta get the stars from my route

Make it in a rock'n'roll show
