

Leper Messiah

Metallica

Spineless from the start, sucked into the part
Circus comes to town, you play the lead clown
Please, please
Spreading his disease, living by his story
Knees, knees
Falling to your knees, suffer for his glory
You will

Time for lust, time for lie
Time to kiss your life goodbye
Send me money, send me green
Heaven you will meet
Make a contribution
And you'll get a better seat
Bow leper messiah

Marvel at his trick, need your Sunday fix
Blind devotion came, rotting your brain
Chain, chain
Join the endless chain, taken by his glamour
Fame, fame Infection is the game, stinking drunk with power

We see
Time for lust, time for lie
Time to kiss your life goodbye
Send me money, send me green
Heaven you will meet
Make a contribution
And you'll get a better seat
Bow leper messiah

Witchery, weakening
Sees the sleep are gathering
Set the trap, hypnotize Now you follow

Time for lust, time for lie
Time to kiss your life goodbye
Send me money, send me green
Heaven you will meet
Make a contribution
And you'll get a better seat
Bow leper messiah

Lie
