

# Where The Wild Things Are

Metallica

So wake up sleepy one  
It's time to save your world

Steal dreams and give to you  
Shop lift a thought or two  
All children touch the sun  
Burn fingers one by one, by one

Will this earth be good to you?  
Keep you clean or stain through?

So wake up sleepy one  
It's time to save your world  
You're where the wild things are, yeah  
Toy soldiers off to war

Big eyes to open too  
Believing now under sun and moon  
But does heaven know you're here?  
And did they give you smiles or tears?  
No, no tears

Will this earth be good to you?  
Keep you clean or stain through?

So wake up sleepy one  
It's time to save your world  
You're where the wild things are, yeah  
Toy soldiers off to war

You swing your ass all down  
Call to arms, a trumpet's sound  
Toy horses start the charge  
Robots, chessmen standing guard  
We shall never surrender

All you children touch the sun  
Burn your fingers one by one

Will this earth be good to you?  
Keep you clean or stain through?

So wake up sleepy one  
It's time to save your world  
You're where the wild things are, yeah  
Toy soldiers off to war  
Off to war, off to war

So close your little eyes
