

## Life Is Not Distant

**Mew**

Life is not distant like that  
Just like a star that explodes  
Or like notes  
You should pretend not to know  
It is slow  
Life is not distant like that  
It is mad  
It is mad  
Just like a star that explodes  
Or like notes  
You should pretend not to know  
It is slow  
Life is not distant like that  
It is mad
