F# C#

1. The night becomes the dawn

Esm F#/B

To prove that love goes on

F#/B

It's written in the stars and in my heart of hearts

With you is where I still belong

2. Through every page we turn Each lesson that we've learned Will finally set us free or bring us to our knees But love is right and never wrong

F#

R: We know we can say we gave it all

C#

We gave it all for love

F#

Each step of the way we gave our soul

C#4/7 C#

We gave it all for love. All for love

- 3. In silent prayers I pray What words could never say To reach into your heart no matter where you are To promise we will find a way
- 4. To walk the road we've known The road that leads us home A million dreams I've dreamed in every one I've seen The face of you and you alone

R: We know we can say...

F#

A lifetime goes by so fast

For the secrets that remain

F#

Soon the future becomes the past

As

When I hold you again.

Bm C#

I'm gonna hold you forever

F# C#

In silent prayers I pray

What words could never say

To reach you through the dark

To reach deep into your heart

And promise we will find a way

F# C#

As night becomes the dawn

Esm

To prove that love goes on
