If I Had Your Love

Michael Bolton

```
If I had my way
Fly into the air
You know I would
And if I had my way
Fly without a care
You know I would
And if I had your love
If I only had your love
There'd be no if I had's at all

If there was a road
Travel down that road
To get to you
If there was a mountain
You know I'd climb that mountain, too
'Cause if I had your love
If I only had your love
There's be no if I had's at all

If I had your love
If I only had your love
There'd be no if I had's at all
There'd be no if I had's at all
If I had your love
If I only had your love
If I had your love
If I only had your love
```
