

# Never Let You Down

Michael Schulte

When your heart is weak and vulnerable  
Oh I'll be there  
When you're all alone, don't know where to go  
Oh I'll be there  
When you're in doubt, I'll bring a smile  
Cause you should know the sun will rise  
Oh I'll be there

There are days when you're feeling low  
Everything's impossible  
There's just one thing that you should know  
Everytime when you lose hope  
You don't know where to go  
There's just one thing that you should know

I'll never let you down  
I'll always be around  
When you're hurt, I'm sorry  
I'll be there, don't worry  
Never let you down  
Never let you down  
I'll keep you safe and sound  
I'll never let you down  
I'll keep you safe and sound  
I'll never let you down

From now until the end of time  
Oh I'll be there  
My handkerchief will dry your eyes  
Oh I'll be there  
If you need shade, I'll plant a tree  
If you need help, reach out for me  
Oh I'll be there

Everytime when you lose hope  
You don't know where to go  
There's just one thing that you should know

I'll never let you down  
I'll always be around  
When you're hurt, I'm sorry  
I'll be there, don't worry  
Never let you down  
Never let you down  
I'll keep you safe and sound  
I'll never let you down  
I'll keep you safe and sound  
I'll never let you down

And when I'm old and my days are wrapped and done  
Let the blanket of our memories keep you warm  
My love for you is forever when I'm gone  
When I'm gone, when I'm gone

I'll never let you down  
When you're hurt, I'm sorry  
I'll be there, don't worry

Never let you down  
Never let you down  
I'll keep you safe and sound  
I'll never let you down  
I'll keep you safe and sound  
I'll never let you down
