

## Pure Love

Midge Ure

I saw a rainbow sparkle in your eyes  
I bet my money on a life in paradise  
Became a member of a union they called wonderland

Pure love, pure ecstasy  
Takes a life from a low to an all time high

I felt the force of the feelings suck me down  
And threw away all the doubts I'd kept around  
And took a share of the life they sold as wonderland

Pure love, pure ecstasy  
Takes a life from a low to an all time high

A tender word and a secret touch of skin  
To brush away all the scars that lay within  
To buy a ticket on a journey back to wonderland

Pure love, pure ecstasy  
Takes a life from a low to an all time high

I lay my head on a pure and fragile heart  
To feel the surge of a new and hopeful start  
Oh, take me back to wonderland

Pure love, pure ecstasy  
Takes a life from a low to an all time high

Pure love, pure fantasy  
Takes a life from a low to an all time high
