

# Cheatin' by the Rules

Midland

Don't call me after 5 o'clock  
Change my name in your phone  
Pay cash for all our drinks  
We don't need those receipts  
Followin' us home  
We both got somebody  
We lost the fire for  
That ain't no reason to treat 'em cruel  
We're gonna keep on meetin'  
Keep this secret that we're keepin'  
We're cheatin' by the rules

Park our cars 'round back  
At the motel room  
As much as I love it baby  
Don't wear too much perfume

Cause we can't even tell our friends  
When they ask us where we've been  
We just smile and keep it cool

Don't call me after 5 o'clock  
Change my name in your phone  
Pay cash for all our drinks  
We don't need those receipts  
Followin' us home  
We both got somebody  
We lost the fire for  
That ain't no reason to treat 'em cruel  
We're gonna keep on meetin'  
Keep this secret that we're keepin'  
We're cheatin' by the rules

If you see me out with her  
Just play it cool don't say a word  
Awe so We don't have to pretend  
And this make believe don't have to end

Don't call me after 5 o'clock  
Change my name in your phone  
Pay cash for all our drinks  
We don't need those receipts  
Followin' us home  
We both got somebody  
We lost the fire for  
That ain't no reason to treat 'em cruel  
We're gonna keep on meetin'  
Keep this secret that we're keepin'  
We're cheatin' by the rules

Yeah we're gonna keep on meetin'  
Keep this secret that we're keepin'  
We're cheatin' by the rules
