

Don't Wanna Be the One

Midnight Oil

I'm an innocent victim, I'm just like you
We end up in home units with a brick wall view
I can't believe the perfect families on my colour TV
If I don't make it to the top it'll never bother me

And I don't wanna be the one
And I don't wanna be the one

I'm an innocent bystander caught in the path
Waiting out the back while the corporate attack
Assaults the senses with relentless scenes of passion and delig
ht
I cut up all the options and went running for my life
