They parked in, man I cannot see the tag
But I see a badge, 12, time to shake
Fuck, I rush out my backdoor
Trying grab all my cash flow
Jumping these fences don't know where to go
If I get caught, I get down on my knees and repent
But what's a case if they ain't got no evidence

The police saying they knowing my name
They knowing the fame, and the chains
It's part of the game

The witness is who you going to blame
No Damion Wayne, I'm bringing the Major Payne
