

# See What I'm Saying

Migos

I'm having a problem  
They copy the flow and they really think they out rapping me  
This shit is a tragedy  
So many rappers I used to look up to take after me  
Then they get back to me, It keep coming back to me that we created a dynasty  
Then they get back to me, It keep coming back to me that we created a dynasty

See what I'm saying? (See what I'm saying)  
See what I'm saying? (what, huh?)  
See what I'm saying? (See what I'm saying)

Everything change when the money flowing in ya hands  
Got to stick to your plans  
Momma taught me how to turn a boy into a man  
Just me and my brothers started from the bottom  
Man I'd never know what I'd do without them

See what I'm saying? (See what I'm saying)  
See what I'm saying? (what, huh?)  
See what I'm saying? (See what I'm saying)

Got a dirty rifle sitting by the holy Bible cause the game is dirty like a dirty tower  
What a feeling I'm having all of the power  
Surrounded by killers and non of you cowards  
I'm eating up rappers like Golden Corral

See what I'm saying? (see what I'm saying)  
See what I'm saying? (huhh)  
See what I'm saying? (see what I'm saying)  
See what I'm saying?  
See what I'm saying?  
See what I'm saying? (see what I'm saying)  
See what I'm saying?  
See what I'm saying?
