

'Cause I can't be your slave to the rhythm
I've got shackles on my feet
Won't it be nice to get a little bit into you?
It's just that I'm a little bit into you
I can't be your bitch to the rhythm
I won't be in love for me
Won't it be nice to get a little bit close to you?
It's just that I am a little bit into you

Must be your reason why, your reason why we fall in love
Give me your reason why you're hurting for the both of us
Must be your reason why, your reason why we fall in love
Give me your reason why it hurts so much

Don't make me cry, cry, cry, cry, cry
Don't make me cry, cry, cry, cry, cry
Don't make me cry, cry, cry, cry, cry
Don't make me cry, cry, cry, cry, cry

If it's only pain you deliver
Then why does my heart not see?
Why do I keep on finding ways to be next to you
When no one makes me feel more alone than you?

Must be your reason why, your reason why we fall in love
Give me your reason why you're hurting for the both of us
Must be your reason why, your reason why we fall in love
Give me your reason why it hurts so much

Don't make me cry, cry, cry, cry, cry
Don't make me cry, cry, cry, cry, cry
Don't make me cry, cry, cry, cry, cry (Please don't make me cry)
Don't make me cry, cry, cry, cry, cry (Don't make me cry)

I'll be okay again
I'll be okay again
I'll be okay again
I won't cry over you

Don't make me cry, cry, cry, cry, cry (Don't make me cry)
Don't make me cry, cry, cry, cry, cry (Don't make me cry)
Don't make me cry, cry, cry, cry, cry (Don't make me cry)
Don't make me cry, cry, cry, cry, cry
Don't make me cry, cry, cry, cry, cry (Please don't make me cry)
Don't make me cry, cry, cry, cry, cry (Don't make me cry)
Don't make me cry, cry, cry, cry, cry (Please don't make me cry)
Don't make me cry, cry, cry, cry, cry
