

# Lola

Mika

People always make me crazy  
Love me last, don't love me maybe  
What's the point in singing silly love songs?  
Who do they think they are to tell us?  
Make me sad and make me jealous  
Don't believe a word 'cause they are so wrong

Lola, Lola

Oh sex and lies and mystery  
They don't bring out the best in me  
Keep jumping from one lover to another  
Thank you for the time you've taken  
Cleaning up the mess I'm making  
Make the same mistake over and over

(Oh) Lola, I've made up my mind  
And I'm not gonna fall in love this time [x2]

Lola, oh Lola

Oh why pretend to be so jaded  
It's so easy just to hate it  
Everyone can love you for a dollar  
But when you find your love's for real  
You'll beg and borrow, cheat or steal  
Trying to get the money just to call her

(Oh) Lola, I've made up my mind  
And I'm not gonna fall in love this time [2x]

Like a fish out of water  
It picks you up then spits you out  
Why do we even bother?  
When there's only one way out  
And we both know it, Lover

(Oh) Lola, I've made up my mind  
And I'm not gonna fall in love this time [2x]

Oh you can stop it if you try  
Love makes you laugh, it makes you cry  
The oldest game in history, repeating. [2x]

Oh Lola  
Oh Lola baby it's just another love song [2x]

Oh Lola, I've made up my mind  
And Lola baby it's just another love song [2x]

(Lola, lololollala lalala)
