Origin of Love

Mika

Love is a drug and you are my cigarette
Love is addiction and you are my Nicorette
Love is a drug like chocolate like cigarettes
I'm feeling sick, I've got to medicate myself

I want your love don't try and stop me
Can't get enough, still hanging on me
Your guilty heart, don't let it break you
And if you pray well no one's gonna save you

Like everyone that you fear and everything you hold dear
Even the book in your pocket
You are the sun and the light, you are the freedom I fight
God will do nothing to stop it
The origin is you
You're the origin of love

Love is a drug and you are my cigarette
Love is addiction and you are my Nicorette
Love is a drug like chocolate like cigarettes
I'm feeling sick, I've got to medicate myself

Well if God is a priest and the devil a slut
Now that's a reason for love then
Like every word that you preach
Like every word that you teach
With every rule that you breach
You know the origin is you

From the air I breathe, to the love I need
Only thing I know, you're the origin of love
From the God above to the one I love
Only thing that's true, the origin is you
[x2]

Padre nostrum, deus machismo
Padre deus, deus machismo
Dione madre, deus machismo
Deus esso sancto spirito

Like stupid Adam and Eve they found their love in a tree
God didn't think they deserved it
He taught them hate, taught them pride
Gave them a leaf, made them hide
Let's push their stories aside
You know the origin is you

From the air I breathe to the love I need
Only thing I know, you're the origin of love
From the God above to the one I love
Only thing that's true, the origin is you
[x2]

Some love's a pill and some love is a candy cane
It tastes so sweet but leaves you feeling sick with pain
Your love is air, I breathe it in around me
Don't know it's there but without it I'm drowning

```
Love
You're the origin of love
Love
You're the origin of love love love
Love love

[4x]
The origin of love love love
Love love

Thank God that you found me
Thank God that you found me
Thank God that you found me
```
