

Stardust

Mika

I could be staring at somebody new
But stuck in my head is a picture of you
You are the thunder, I was the rain
I wanna know if I'll see you again
I said I love you, you said goodbye
Everything changes in the blink of an eye
It's been a while, I still carry the flame
I wanna know if I'll see you again
See you again, see you again
Want you to know, what you mean to me
What will it take, take you to see?

[Chorus:]

I could put in a stardust in your eyes
Put a little sunshine in your life
Give me a little heart to feel the same
And I wanna know if I'll see you again
if I'll see you again

I've seen that before, cause you're not even there
I'm writing this song and you don't even care
Throw me a lifeline and open my door
And pick up my heart that you left on the floor
On the floor, on the floor
Want you to know, what you mean to me
What will it take, take you to see?

[Chorus:]

I could put in a stardust in your eyes
Put a little sunshine in your life
Give me a little heart to feel the same
And I wanna know if I'll see you again
if I'll see you again

Funny How the time goes rushing by
And all the little things we leave behind
But even any other thing i do,
is a little bit of me, a little bit of you
When will I see you again?
When will I see you again?
When will I see you again?
When will I see you again?

[Chorus:]

I could put in a stardust in your eyes
Put a little sunshine in your life
Give me a little heart to feel the same
And I wanna know if I'll see you again
if I'll see you again

I could put in a stardust in your eyes
Put a little sunshine in your life
Give me a little heart to feel the same
And I wanna know if I'll see you again
if I'll see you again

Funny How the time goes rushing by

And all the little things we leave behind
But even any other thing i do,
is a little bit of me, a little bit of you

When will I see you again?
When will I see you again?
