

Over My Shoulder

Mike & The Mechanics

1. Looking back over my shoulder

Am7 **D** **G**

I can see that look in your eyes

Am7 **D** **G**

I never dreamed it could be over

Am7 **D** **G**

I never wanted to say good bye

2. Looking back over my shoulder
With an aching deep in my heart
I wish we were starting over
Oh instead we're drifting so far apart

[illegible]

3. Looking back over my shoulder
I can see that look in your eyes
Turning my heart over and over
I never wanted to say good bye

B: I don't mind everybody laughing
But it's enough to make an old man cry
'cause I can feel you're slipping through my fingers
I don't even know the reason why

4. Am7 D G (4x)

B. Everyday it's a losing battle
Just to smile and hold my head up high
Could it be we belong together

B **C**
Baby, won't you give me one more try?

A
One more try

5. Looking back over my shoulder
I can see that look in your eyes
I never dreamed it could be over
I never wanted to say good bye
