I left my gal in Kansas City, Left her cryin' in the rain, I told her that I made my mind up, I didn't want to see her again.

What makes the night so lonely?
What makes the night so long?
Why I guess its just because I'm a man,
That's done a good woman wrong.

I can't eat...
I can't sleep....
All I can do is cry.
All I can do is cry.

I told her that she was a driver, Told her that she played around, But I was just a lying man, Tryin' to hide the tracks she had found.

Gonna catch myself a flyer,
One that's Kansas City bound,
I'm goin' lookin' for my baby,
Good lord I hope she's still around.

I can't eat
I can't sleep
All I can do is cry
All I can do is cry

I can't eat
I can't sleep
All I can do is cry
All I can do is cry
