

Let You Down

Mikky Ekko

Mmm, I know what you say
Love it and leave it
But I'm on to you, babe
Just what you needed

Ooh, now I don't like your tone
Like your tone when you come around here
Yeah, claimin' where you from, where you're from
Like we disappeared

Outlaw, cold sore
Blood loss, lowkey
So good, so far
Don't y'all know me?
It's funny how you blow up, up, up, uh-up, up
Just to let me down

Oh-oh-oh-oh
Oh-oh-oh, oh-oh-oh
Just to let me down
Oh-oh-oh-oh
Oh-oh-oh, oh-oh-oh
Just to let me, just to let me down

Come and go so naturally
Say what you say but I know what you're after
Now don't get too attached to me
Shame, it's a shame, that the feeling don't last, oh
Shout out, shout out
All washed up but you're never clean, ayy

You've been known to talk
You've been known to talk a lot
You should back it up
Put it in reverse and stop

Outlaw, cold sore
Blood loss, lowkey
So good, so far
Don't y'all know me?
It's funny how you blow up, up, up, uh-up, up
Just to let me down

Oh-oh-oh-oh
Oh-oh-oh, oh-oh-oh
Just to let me down
Oh-oh-oh-oh
Oh-oh-oh, oh-oh-oh
Just to let me, just to let me down

'Cause the one thing I can't take
Is this life you imagine
Say it's real when it's all fake
Yeah, it's true but it's tragic
(How you're all washed up but you're never clean)

Oh-oh-oh-oh

Oh-oh-oh, oh-oh-oh
Just to let me down
Oh-oh-oh-oh
Oh-oh-oh, oh-oh-oh
Just to let me, just to let me, just to let me down

Oh-oh-oh-oh
Oh-oh-oh, oh-oh-oh
Just to let me down
Oh-oh-oh-oh
Oh-oh-oh, oh-oh-oh
Just to let me, just to let me down

You've been known to talk
You've been known to talk a lot
