

# Colour of the Trap

Miles Kane

**G**  
1. If you just get it together and read my mind  
Then sleeping would be easy

**C**  
And then I'll be there to acquiesce

**D-G**  
I confess I'm in trouble

2. Another afternoon of increments  
And asking the wrong questions  
Then you get up and leave again  
Just as the evening threatens to set

**G** **C** **D**  
R: Consider this now it's not too late

**G Am**  
I have watched you change

**Bm**  
The colour of the trap before girl

**Em Am E**  
I have learned to wait

3. Most of the things that you say  
I don't understand but I will sit and listen  
I nod along attentively  
But the truth is I can't concentrate

R: Consider this now it's not too late...

**D**  
Make no mistake

**C**  
Well I have learned to wait

**Em**  
And you have learned that you can make me

**Am**  
I need something to sort me out

**Em**  
I need someone to come and shake me

**Am**  
And your exit calms me down

**Em**  
Before it infuriates me

**Am**  
Girl I'm in trouble

**D** **G**  
Wish you'd just get it together and read my mind

**G** **Am-Cm**  
La la la la la la la la la la la la la la, la la la la la la la

**G** **Am-Cm**
