1. I can feel you searching round my brain

F#m

Looking for a way to make a wave

F#m

Falling out and in

F#m

In and out again

F#m

Until our falling thoughts cascade together

Just look at me and I will let you know

F#m

I will let you... know

2. I can see you making little flames

All along the path to guide the way

Floating out and in

In and out again

Until our falling thoughts cascade together
