

As I Am

Miley Cyrus

Gonna stay in bed today
Cause I can't stand the light
Don't know why I get so down
I won't be much fun tonight
And I can't believe
You still wanna hang around me

It's not so pretty all the time
You don't mind
To you it's all right

As I am
Is how you take me
Never try to push
Or make me different
When I talk you listen to me
As I am
Is how you want me and
I know I've found the piece that's missing
I'm looking at him

I'm not the girl you think you see
But maybe that's a lie
You almost know me better than
Me, myself and I
Don't know a lot of things
But I know what I got

It's not so perfect everyday
I don't have to try
Cause it all falls into place

As I am
Is how you take me
Never try to push
Or make me different
When I talk you listen to me

As I am
Is how you want me and
I know I've found the piece that's missing
I'm looking at him

Face to face, eye to eye
You're standing there
Feels good on the inside
I don't mind, I don't care
You're standing there
Seeing me for the first time
Seeing me for the first time
Seeing me for the first time

Found the piece that's missin'
take me as I am

When I talk you listen
take me as i am

Found the piece that's missin'
take me as I am
